A Health Hazard at three
different apartment complexes.
There is a Housing Investigation as

the problem continues, people
have raw sewage running
through their apartment and the
Landlord Refuses to fix the
problems. People are continuing
sick, and tenants have had
had doctor reports telling the
patient to inform the landlord

that's making tenants sick.
I sent these pictures as proof
of negligence of the landlord

built in 1965, 1971, 1970 and
